3.1 Maintenance of payments and cure of default. Check one.

None. If "None" is checked, the rest of § 3.1 need not be completed or reproduced.

Installment payments on the secured claims listed below will be maintained, and any arrearage through the month of confirmation will be paid in full as stated below. Both the installment payments and the amounts to cure the arrearage will be disbursed by the trustee.

Amounts stated on a proof of claim filed in accordance with the Bankruptcy Rules control over any contrary amounts listed below as to the current installment payment and arrearage. After confirmation of the plan, the trustee shall adjust the installment payments below in accordance with any such proof of claim and any Notice of Mortgage Payment Change filed under Rule 3002.1. The trustee shall adjust the plan payment in Part 2 in accordance with any adjustment to an installment payment and shall file a notice of the adjustment and deliver a copy to the debtor, the debtor's attorney, the creditor, and the U.S. Trustee, but if an adjustment is less than \$25 per month, the trustee shall have the discretion to adjust only the installment payment without adjusting the payments under Part 2. The trustee is further authorized to pay any postpetition fee, expense, or charge, notice of which is filed under Bankruptcy Rule 3002.1 and as to which no objection is raised, at the same disbursement level as the arrearage.

Confirmation of this Plan imposes on any claimholder listed below the obligation to:

- Apply arrearage payments received from the trustee only to such arrearages.
- Treat the obligation as current at confirmation such that future payments, if made pursuant to the plan, shall not be subject to late fees, penalties, or other charges.

The remainder of this section will be effective only if the applicable box in § 1.1 is checked.

For each claim listed below, the debtor(s) request that the court determine the value of the creditor's interest in any property securing the claim based on the amount stated in the column headed "Value securing claim". If this amount exceeds any allowed claim amount, the claim will be paid in full with interest at the rate stated below. If the amount is less than the allowed claim amount, the claim will be paid the full value securing the claim, with interest at the rate stated below.

The portion of any allowed claim that exceeds the value securing the claim will be treated as an unsecured claim under § 5.1. If the value securing a creditor's claim is listed below as zero or no value, the creditor's allowed claim will be treated entirely as an unsecured claim under § 5.1. The avoidance of any lien because it is not secured by any value must be addressed in Part 9. The amount of a creditor's total claim stated on a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount stated below.

The holder of any claim listed below as secured by any value will retain the lien until the earlier of:

Adequate protection payments shall be disbursed by the Trustee in the customary disbursement cycle beginning the month after the petition is filed.

(a) Transfers of Property and New Debt. Debtor(s) is prohibited from transferring, encumbering, selling or otherwise disposing of any property of the estate with a value of \$1,000 or more without first obtaining court authorization. Except as provided in § 364 and § 1304, Debtor(s) shall not incur new debt without first obtaining court authorization or obtaining Trustee consent pursuant to § 1305.

(b) Insurance. Debtor(s) shall maintain insurance protecting all property of the estate to the extent of any value in excess of the liens and exemptions on such property.

Post-confirmation payments shall be maintained consistent with the underlying agreement, commencing with the first payment due after confirmation. If the Trustee disburses these payments, any payment may be adjusted by the Trustee as necessary to reflect changes in interest rates, escrow payments or other matters pursuant to § 9.06. The Trustee shall notify the Debtor(s) and the attorney for the Debtor(s) of any change at least seven days prior to effecting such change.

9.09 Proof of Claim Controls Amount. Absent objection, a Proof of Claim, not this plan or the schedules, determines the amount of a claim.

9.10 Plan Controls Everything Else. If a claim is provided for by this plan and a Proof of Claim is filed, the classification, treatment and payment of that claim—everything except amount—shall be controlled by this plan.

9.11 Claims Not Provided for by the Plan. If a claim is not provided for by this plan and a Proof of Claim is filed, until the plan is modified to provide otherwise, the claim will receive no distribution.
